OVERVIEW

Spectacular 3 bedroom villa in one of the best areas of Malaga

Lucas Fox is pleased to present this sunny and elegant villa. Built during the 1980s, it faces south, directly towards the bay of Malaga. It has marble floors and a central staircase crowned with a glass window that provides natural light throughout the interior.

On the ground floor, at street level, there are two parking spaces. Upon entering, to the left, a separate bedroom with walk-in closet and full bathroom currently used as a study. Next to this, there is the spacious and bright living-dining room, with relaxing views of the sea. To the right is the large kitchen, which has a laundry room and pantry, as well as a separate dining area for ten people, which is located between the kitchen and the living room and opens onto the porch facing south.

On the upper floor, there are two large single bedrooms, which share a bathroom and on the opposite side, there is the master bedroom with a private bathroom and a spectacular terrace where you can enjoy the sea views.

From the distributor, going down to the semi-basement floor, there is a large storage room, a full bathroom and a pleasant bar area, with a bar and direct access to the pool and the barbecue area, which has a porch with capacity for between twelve and fourteen people.

This family villa has everything for you to start enjoying life in the south of Andalusia, where sunny and clear days follow one another uninterruptedly and where you will be able to infect all the cultural and gastronomic life of Malaga, the jewel of the Costa del Sun.
