OVERVIEW

Large renovated loft-style property in the centre, a few metres from shops, markets, restaurants and museums. A perfect investment opportunity as a second home or as a tourist rental use.

The property is located on the fourth floor, in a building with a lift.

Designed as a large open space, after the entrance you have the spacious living/dining room with large windows to the outside, an American-style kitchen, fully equipped on your right and on the opposite side the area assigned to the bedroom, with its own window and built-in wardrobes as well as the ingenious bathroom, perfectly designed to make the most of the space.

Equipped with air conditioning and a washing machine, it is a property that, despite not having views, is very bright and enjoys absolute privacy.
