OVERVIEW

Beautiful 4-bedroom semi-detached house ready to move into and with sea views in an elegant urbanization in Málaga Este.

Lucas Fox is pleased to present this beautiful semi-detached house in a high standing development, perfect for enjoying luxury and comfort surrounded by an exceptional environment. Distributed over three floors, it has a modern elevator for your comfort. This spectacular house has three family bedrooms plus one for guests or service.

From the entrance, there is access to the large hall and to the left, the guest bedroom with private bathroom and the garage with capacity for two vehicles and two motorcycles if desired. Next, there is a charming reading room and a spacious and perfectly distributed living-dining room that could be used as an event area. This area is completed with two small rooms that can be used as a storage room or as a seasonal wardrobe.

On the first floor, there is the family living-dining room and the large kitchen, which has an office and a living area. These two rooms open directly onto one of the two terraces with sea views, where there is a barbecue area and a wooden pergola from which you can enjoy the views of the bay of Malaga and its wonderful sunsets.

The bedrooms are located on the second floor. The first two, which share a bathroom, are located to the southwest and are spacious and bright. In the background, there is the master bedroom that has a comfortable open dressing room and a private bathroom. However, it stands out for its charming terrace from which you can also enjoy relaxed views of the sea.

On the upper floor there is a discreet laundry room, as well as another large terrace where there is a complete outdoor Jacuzzi with night lighting and a secluded and discreet lawn area with hammocks where you can enjoy those moments without being seen.

This elite urbanization has landscaped areas, a paddle tennis court and a wonderful swimming pool, as well as 24-hour security with a doorman. This urbanization is a true luxury, a haven of peace and elegance. A wonderful way to start living in Malaga.
