### OVERVIEW

## Villa on a plot of more than 5000 m<sup>2</sup>, with a main house and two other completely independent buildings, for guests, for sale in Vélez Málaga.

The property is located in an elevated area, which offers great views of the surroundings. The villa has large terraces, gardens, a growing area, a garage and carport for several cars, as well as three buildings that are separated by the large terraces and gardens that surround the pool.

The main property has several entrances, one of them with direct access to the large equipped kitchen located in the corner. From here, we have access to the living-dining room, with large folding windows to the large terrace and gardens. Next, we have two large bedrooms, one of them with a private bathroom, an additional bathroom and the laundry area.

On the first floor, we have another large living room, used as a third bedroom, with a bathroom and access to a large terrace with spectacular panoramic views.

Exterior, there is a swimming pool, surrounded by terraces, attached to the barbecue area, with its independent building with a bathroom and showers. In the highest area of La Finca, we have an independent building, characterized by its tower, with a large clock, distributed in living room, kitchen, bedroom and bathroom.

Next to the perimeter of La Finca, there is the garage and storage rooms of the main property. Finally, the third property is arranged, distributed in living room, kitchen, bathroom and two bedrooms, which enjoys its own garden area and terraces. This can be completely independent from the main property.
