OVERVIEW

This spectacular villa is located in an exclusive area Sitios de Calahonda, 700 metres from the beach, and 2 minutes from Cabopino Golf !

We highlight its majestic 3,000 m² plot surrounded by century-old pine trees among many other species of flora, which provide a lot of privacy throughout its area. The pool area has a chill-out space that gives a feeling of indescribable peace.

As soon as we enter the house we have a feeling of grandeur thanks to its living space with a living room, a large space with a library and a beautiful dining room.

We continue and arrive at the fully equipped kitchen. Next we have 2 bedrooms with en-suite bathrooms and, to finish off, an office, which could perfectly be used as a nice private apartment.

Going up the stairs, we access the upper floor of the property, where we can find 2 wonderful master bedrooms with Versailles-type wooden floors. Each of them enjoy a walk-in-closet, a living room, an en-suite bathroom and a private terrace with wonderful views of the main garden.

In the outdoor area, the house has a padel tennis court, a gym, a closed garage for 2 cars and an outdoor parking area.

This property would be perfect for a large family or an investor who has a holiday rental project in mind.
