### OVERVIEW

**Apartment distributed in 2 independent houses, with 3 bedrooms and 2 bathrooms plus an independent studio, ideal as a long-term investment or tourist rental for sale in Malaga.**

Flat from the end of the 19th century, completely restored in 2006 and located in the heart of Malaga, among its narrow pedestrian streets, museums, historic buildings, theaters and restaurants.

It is located on the second floor, the top floor of the building, which has only two apartments. It is distributed in a large entrance hall, where we have access to the front of the house, with a large living room, two bedrooms and two bathrooms, all with a balcony to the outside. In the back, there is another bedroom and a large dining room, located on one of the terraces and incorporated into the house, the kitchen and the second terrace of the house, where we have the laundry area.

It is an extraordinary example of architecture of the time, in the heart of the city, restored and smooth to enjoy as a regular residence, second home or tremendous investment opportunity in the historic center of Malaga.
