### OVERVIEW

## Completely renovated luxury rural hotel with more than 500 years of history for sale in Antequera, Málaga.

Lucas Fox presents this magnificent Andalusian-style farmhouse, with more than 500 years of history. Its owners have renovated it with the highest quality, while preserving the original architecture. They even came to find inside a gold bust from Roman times, which is today in the Antequera museum.

The farmhouse sits on a plot of about 20,000 m<sup>2</sup>, with 400 olive trees. Upon accessing the parking area, you can already appreciate the majestic Cortijo de las Piletas entrance.

Outside, incredible peace is offered, as well as numerous spaces for different activities. On the one hand, it offers several relaxation areas, such as a chill-out area, with various fruit trees such as orange and lemon trees. On the other hand, there is the pool area, with its sun lounge area and the huge pool. There is also a completely open built part that could be renovated to make a winter living room, a games living room or another private apartment.

The farmhouse has a total of about 1000 m<sup>2</sup> built that are distributed over two floors. It consists of a total of nine bedrooms, most with their private living room and eight of them with their adjacent bathroom. In addition, it has three living rooms, two dining rooms, two multimedia rooms and two fully equipped independent kitchens.

It has a rural license, so it would be perfect for an investor client looking to set up a Bed & Breakfast or a rural hotel.
