## 5 Bedroom apartment for sale in soho, Costa del Sol

165 m<sup>2</sup> apartment with a terrace, with a lot of potential for sale in the center of Malaga.

Lucas Fox presents this house located on the fourth floor, previously used as an office.

After the entrance we have a large hall, with access to one of the bedrooms. Next, we have access to the back of the house, which houses three other very large bedrooms and the bathroom. Towards the front we have another huge room, with large windows that make the corner to one of the patios of the house. Next, we find the large living room and terrace area, currently incorporated into the interior and distributed in two independent rooms.

Considering the location of its three patios, this house gives us tremendous flexibility when planning the distribution of internal spaces.

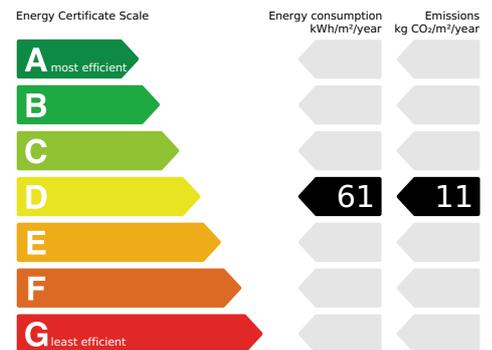

In this community, it has been decided to restrict holiday homes, allowing only rentals of more than 2 months.

Don't miss out on this tremendous opportunity to remodel a home to your liking and take advantage of the flexibility this home offers.
