Lovely rustic villa with astonishing panoramic views in las Lomas de Mijas, Costa del Sol

Villa of typical Andalusian design, with a rustic touch and wonderful panoramic views of the Mediterranean Sea and the mountains of Mijas-Pueblo, for sale.

Lucas Fox presents this charming rustic villa, surrounded by a mature garden with ancient trees and with unique panoramic views of the Mediterranean Sea, the Fuengirola coast, the town of Mijas and its mountains.

This house of 200 m² built enjoys a wonderful outdoor area, which provides an indescribable sense of peace and privacy, thanks to its two terraces of more than 100 m² and its surrounding century-old trees.

Before entering the house, there is a chill-out area, the entrance and the terrace area with the beautiful pool, perfect for cooling-off while looking at the sea.

On the ground floor, we have a beautiful, recently renovated kitchen open to the dining room and the spacious living room. The house has several windows that provide a lot of light, thanks to its south-westerly aspect. In addition, it has a storage room and a toilet.

On the upper floor, there are two bedrooms with fitted wardrobes and a large bathroom to provide services. In addition, there is the main bedroom, which has its own private bathroom, a built-in wardrobe and also an area that is currently used as an office, which could be perfectly converted into a dressing room.

From the master bedroom we can access the upper part of the terrace, with even more spectacular views, especially at night with the lights of Fuengirola.
