OVERVIEW

Property for sale in Malaga centre with abundant storage space, a large living room, kitchen, bedrooms and bathrooms.

Designed with luxury in mind, this property does not disappoint, from the moment you cross the doorway, making it appear even larger than it is with the clever use of mirrors, that help illuminate the property with ample sunlight. From the large entry hallway we have access, to the left, to the enormous living room, flanked by a wall of double-glazed windows.

To the right of the entry, we have the long kitchen with build in appliances and using the enormous island as a family dining table. It is a simply wonderful space to entertain.

From the kitchen, we access the corridor with panelling along one wall, camouflaging the entrance to the bedrooms, and with a clever use of mirrors to reflect the lighting fixture on the ceiling, giving the impression of extra space.

On one end we have a large bathroom, for guests and the two large bedrooms on that end and on the other end we have the large master bedroom with a panelled wall that houses the closets and the large on suite master bathroom. All three bedrooms have a large wall of double-glazed windows that provide ample sunlight.
