The property is accessed from any of the three large lower garage spaces or from the upper parking space, which leads directly to the kitchen and the elegant backyard. Once inside, the spacious and elegant entrance hall enjoys abundant natural light, a true prelude to the rest of the property. From the entrance hall, the stained glass windows of the elegant circular stairs that sinuously ascend to the night area can be appreciated. To the right, there is the spacious L-shaped living room with access through wide passageways to the large terrace with sea views. This living room is adjacent to a charming family-friendly room that has a beautiful stone fireplace and south-facing, ideal for winter evenings.

To the left, there is a complete courtesy bathroom next to the incredible new kitchen, fully equipped and with an island and a huge window that faces south, towards the garden area, and that floods it completely with light. From the kitchen, with part of the integrated laundry area, there is access to the elegant rear patio that overlooks the upper parking lot and the garden, as well as the rest of the laundry area.

Going up the elegant stairs, we find ourselves on the right with the master suite, which has a dressing room and private bathroom, as well as a fantastic south-facing terrace with sea views. On this floor, there are three more bedrooms available, one of them with a large terrace with sea views. It is an open space in which the bar counter and the wine rack- wine cellar stand out, which make it suitable for events with up to 30 people. On this floor there is also a complete bathroom , the technical pump room, a huge guest bedroom and a large room to use as a storage room or winter/summer change of clothes wardrobe . And next to it, there is a large garage with capacity for three large vehicles.

This property is a real opportunity: an unbeatable property for its size, its design and for the radiant light that can be seen in each and every one of its rooms.
