OVERVIEW

2-storey villa with 7 bedrooms and a pool on a 1,600 m² plot with fantastic sea views for sale in Malaga.

Lucas Fox is pleased to present an exclusive villa from which you will be able to contemplate the exceptional sunsets over the bay of Malaga, the fashionable city in Europe.

This villa is divided into two floors and benefits from easy access. It has seven bedrooms, five bathrooms and a swimming pool and sits on a 1,600 m² plot , something unusual in the city of Malaga.

The property is accessed directly from the garage for three vehicles, crossing a small patio, which is on the same level. It has a double entrance, the service one, directly through the kitchen, and the main one.

From the main entrance, we arrive at a large hall . Towards the front is the large dining room living room with sea views and which has a fireplace and access to a terrace that also has views. To the right, there is access to the large master suite, which has a private bathroom and large closets, as well as views to the south and which would allow you to live on one floor. In the hall there is also a guest toilet.

To the left, there is access to another hall, used as a dining room, from which the circular stairs lead to the lower floor and to the tower, which functions as a study. From this hall, you access the kitchen, which is exterior and on the corner. The kitchen is very bright and has a laundry area as well as a pantry. From this hall you can also directly access the huge living room of more than 60M²

On the lower level, going down some beautiful circular stairs, you access the bedroom floor , which is divided into three wings. In each of them there are two bedrooms that share a bathroom. In the centre of these three wings, there is a large space in the centre of which is an elegant fireplace that enhances the entire space.

Outside, there is another terrace with sea views that leads to the pool, with separate toilets, perfect to enjoy all year round. From the living room, the two terraces, the master suite and some of the auxiliary bedrooms you can contemplate the impressive views of the sea. And in the eastern area, there is a large patio of almost 150 M² in which to celebrate events.
