OVERVIEW

Beautiful semi-detached villa of 200 m² with views of the mountains and the countryside and a huge garden of more than 300 m² for sale in Balcones del Romeral, Vélez-Málaga.

Lucas Fox exclusively presents this 200 m² semi-detached villa in the Balcones del Romeral development in Vélez-Málaga.

The property has three entrances. On the one hand, we have access from the ground floor with its wine cellar and a large garage. On the other hand, we can access through the main door that leads to the entrance of the house or through the huge garden of more than 300 m². It is not the typical semi-detached villa with hardly any land; We are facing a large garden, since the owners acquired two additional plots, to enjoy a large garden, with trees and a pergola. It has the potential to build a pool.

Once inside the property, when going up the beautiful staircase we will reach the first floor with the day area. It has a large living-dining room with access to a covered terrace with Lumon glazing and another open-air balcony with views of the countryside. In addition, there is a fully equipped separate kitchen and a guest bathroom.

On the second floor, we find the night area with three bedrooms: one with a private bathroom and built-in wardrobe ; another for children with a built-in wardrobe ; and the last one, for office and dressing room.

On the third floor we have a solarium, with beautiful views of the countryside and the mountains, as well as side views of the Mediterranean Sea.
