OVERVIEW

Higueroon West Villas offers this luxury house with stunning views of the Mediterranean, for sale in the best area of Costa del Sol.

Higueroon West Villas are eight brand-new homes with spectacular architecture, located in the best area of Costa del Sol.

The project combines comfortable living and design focused on the south-facing position, the breathtaking sea views of the Mediterranean and making good use of the more than 300 days of sun in Costa del Sol.

This villa consists of 3 large bedrooms, a spacious living room, dining room and kitchen area, distributed on 2 floors as well as garden and private pool, all this in your private plot of 1,600 m².

Entering the living room, you will find harmony and joy from the stunning sea views and sunsets, with the floor-to-ceiling windows and access to the private infinity pool, garden and the amazing surroundings this house offers.

The villas have a big outside terrace space to enjoy leisure time with friends and family. The plants that surround the exclusive villas transfer the Mediterranean fragrances to the interior of the homes, such as thyme, or rosemary.

The natural division of the vegetation in each one of them provides the most private atmosphere of the home to be enjoyed. Breathe, and relax from the infinity pool where you can dive, while admiring exceptional views of the centuries old carob trees and the Mediterranean Sea.

Immerse yourself in the pleasure of wellbeing, relaxation, and deep tranquility in the private spa that awaits in your villa. Admire the nature from the comfort of the sunbeds, combined with the blue light from the pool.

Located in Higueroón Resort, the most exclusive Resort on the Costa del Sol, where you will find the 5-star Higueroón Hotel with its 10 restaurants where you can take a tour of the world's gastronomy and enjoy unique culinary experiences.
