OVERVIEW

Renovated 87 m² apartment with an ingenious layout for sale in Malaga.

Lucas Fox presents this completely renovated and updated property for sale in a privileged location in Malaga.

Upon entering the property, we find a spacious living-dining room that has an open American-style kitchen. From both spaces, we can enjoy impressive views of Malaga, El Gibralfaro and the cathedral. The kitchen now has new high-quality furniture, including a ceramic hob, oven and microwave. The night area has two bedrooms, including the main bedroom with a private bathroom, as well as a second bathroom to serve the entire property. Both spaces are designed with the high specification and paying attention to every detail.

The materials that have been used for the renovation of the property ensure that the property is ready to move into and inhabit for many years. In addition, an air conditioning system has been pre-installed to ensure comfort throughout the year. The windows, including the impressive casement windows on the terrace, enjoy double glazing for greater insulation.
