OVERVIEW

Spectacular new build penthouse on the 28th floor of AQ Urban Sky, with 3 bedrooms and a spectacular terrace for sale in Soho.

Lucas Fox presents AQ Urban Sky, our most innovative and modern option for new build homes in the heart of Malaga, with spectacular height, lighting and unbeatable views.

The environment is perfectly connected to the historic centre and all types of amenities such as hospitals, schools and institutes, shopping centers and sports areas, surrounded by pedestrian spaces to walk and relax after a long day or to get active in the morning. This development is perfect for those who enjoy an urban lifestyle, with everything necessary to reconcile home and family with work, and be able to enjoy shopping and endless events and plans to take advantage of every second.

This penthouse for sale on the 28th floor of the South Tower follows a careful aesthetic in which urban, exclusive and functional design is the protagonist. Likewise, it has a functional layout, with clearly differentiated day and night areas. On one side, there is the living-dining room and the separate kitchen along with a laundry room. On the other side, there is the main bedroom with its dressing room and private bathroom, two double bedrooms and a bathroom to serve the entire property. Finally, this property has a terrace that offers panoramic views from the highest point of Malaga.

AQ Urban Sky will be one of the tallest buildings in all of Andalusia, so it will offer unparalleled views and a lot of privacy. In addition, it will offer exclusive communal areas, such as laundry room, coworking and multipurpose rooms, gastrobar, movie theaters, commercial proposals, private pedestrian spaces and bicycle lanes within the environment. All of them, managed through an app so you can get the most out of it.

In addition, its exclusive pool with roof terrace enjoys spectacular views of the city and large green areas, to be in contact with nature and squeeze in those special moments with your loved ones. All the leisure you can imagine and more without having to travel. Finally, the homes include a garage and storage room in the price.
