OVERVIEW

New build 2-bedroom apartment for sale in West Malaga.

Lucas Fox is pleased to present Residencial Mijasol, a beautiful residential complex with 56 1, 2 and 3-bedroom apartments and excellent penthouses. It has a communal swimming pool area and multipurpose room, as well as underground parking spaces and storage rooms included. The development has a distinctly modern appearance, offering homes with a polished finish and a practical and functional layout.

The building enjoys a southerly aspect and the most is made of the year-round sunlight, with well-positioned large windows, which improves the conditions of interior comfort and energy saving.

This particular property is a ground floor home with 2 bedrooms, 2 bathrooms, a living room, dining room and terrace. In this building have been conceived to offer the perfect balance between quality and design. Each and every one of the high-quality materials that make up the new homes in Mijas Costa have been carefully selected for the best possible finish.

The kitchens are equipped with an oven, ceramic hob, extractor hood, stainless steel sink and mixer tap and the bathrooms feature Vitrified porcelain sanitary ware and chrome-plated mixer taps.

Bustling tourism, a sunny climate and endless leisure options make the Costa del Sol the place where almost everyone wants to live or invest.
