### OVERVIEW

## New build 3-bedroom apartment with 18 m<sup>2</sup> terrace for sale in Axarquía, Málaga.

Bali is the most recent addition to the #PUREDESIGN collection by Kronos Homes. It is an elegant apartment complex in the beautiful natural surroundings of Rincón de la Victoria, in the eastern section of the Costa del Sol. The first phase offers 36 two and three-bedroom apartments set within lush gardens with views across the surrounding countryside and down to the Mediterranean Sea.

This property is a first floor apartment that enjoys high-end finishes and quality design features including an open-plan living area and a large, panoramic terrace which blends the interior and exterior seamlessly. This three-bedroom apartment features a modern kitchen with top-end appliances. The stylish bedrooms provide a private sanctuary of rest and relaxation and benefit from two exquisitely finished bathrooms.

These homes boast space, light, far-reaching sea and mountain views and provide a great base from which to explore the exciting surroundings but are equally conducive to staying at home and enjoying the exceptional on-site amenities, such as the gym and the panoramic pool deck with a large infinity swimming pool.

This contemporary development features attractive symmetrical architecture, low energy consumption and a high degree of sustainability.

Please contact us for further information about these contemporary new build homes on the Costa del Sol.
