### OVERVIEW

## New build 2-bedroom penthouse with 66 m<sup>2</sup> terrace for sale in west Malaga.

Lucas Fox proudly presents Ipanema, a stunning contemporary new development located in Cala de Mijas designed by renowned architects at the Gonzalez & Jacobson studio. The development offers spectacular panoramic views of the sea and the mountains, homes which all enjoy private outdoor space and a range of excellent communal amenities for an elevated living experience.

On the third floor of the brilliant white residential building we find this two-bedroom home with 2 terraces with non-slip flooring, spacious and bright interiors and a fresh minimalist aesthetic.

The home enjoys wonderful views through large windows that allow the Mediterranean light to flood the interiors. The property boasts a bright, airy open-plan living area with tiled floors and a contemporary kitchen that flows into the living and dining spaces and out to the wonderful panoramic terrace, creating the ideal place to entertain or enjoy family life. The kitchen will be furnished with a modern design, with base and wall-mounted modules in a laminated finish, including Silestone compact quartz worktops or similar and fitted with household appliances such as an induction hob, fridge, dishwasher, oven and microwave.

The two bedrooms are separate, ensuring privacy and a peaceful night's sleep, and the two bathrooms feature an elegant contemporary finish that is both beautiful and functional with white vitrified porcelain toilets and sinks with fixtures and fittings by leading brands.

The design of the complex draws inspiration from luxury Brazilian resorts, with a focus on water and vegetation, bringing a touch of the tropics to the Costa del Sol. Residents may enjoy luxurious communal areas and amenities such as two outdoor pools, an indoor pool and a spa and fitness centre. The magnificent beaches of the Costa del Sol, the Calanova golf course and the exciting shopping and dining opportunities of Malaga are all on the doorstep, guaranteeing an excellent quality of life.

Please feel free to contact us today for further information.
