OVERVIEW

New build 3-bedroom house with 120 m² of terraces for sale in West Malaga.

Aalto Residences is a brand-new development offering 13 unique townhouses just minutes away from Marbella.

The name, Aalto, is Finnish for "wave" and was inspired by the elegant Scandinavian design which blends harmoniously with the surrounding nature and the stylish curved façade of the buildings.

This south-facing, energy-efficient home enjoys panoramic sea views and breathtaking sunsets from the rooftop terrace and is situated next to a green area with beautiful trees and a little park where you can walk and enjoy the fresh sea breeze. The house measures 240 m² and boasts an additional 120 m² of outdoor space, between the porches, and terraces.

Stepping inside this 3-bedroom home, we are immediately aware that the highest quality materials have been used. The living area is bright and serene, while the minimalist design, straight line "open" kitchen with laminated finishes, Dica cabinetry and Siemens appliances is a delight to cook in.

Sleek, contemporary bathrooms feature Duravit sanitaryware, Hansgrohe taps and elegant shower screens and finishes.

An aerothermal system is installed in the homes for underfloor water heat system, hot water and air conditioning, along with a general home automation system, and all windows and sliding doors in dark grey/black lacquered aluminium.

The delightful communal garden has a shared pool to cool off in during the summer, and the owner of each new townhouse may opt for a private jacuzzi pool on the rooftop terrace if they wish.

All the houses have a lower ground floor that can be designed for any use the client wishes (gym, sauna, bar, cinema, etc).

The properties come with a parking space included in the price, with the option to purchase further spaces if required (various options: sheltered car park space for €15,000 underground car park space with storage room €25,000; this underground car park has a lift)
