OVERVIEW

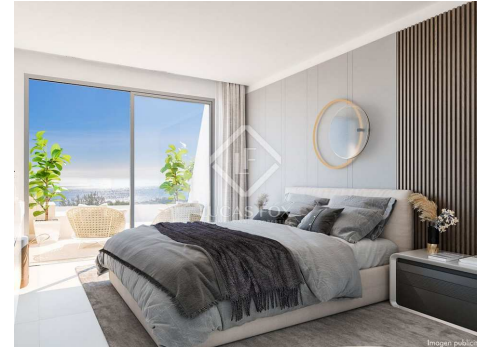

Spacious and bright new build penthouse with 3 bedrooms and a 67 m² terrace with jacuzzi for sale in a community with excellent communal areas near the beach in Malaga.

Lucas Fox is pleased to present Lomas del Higuerón 2, an exclusive new build development located in a privileged enclave in Fuengirola, a short distance from the beach on the Costa del Sol. A total of eight buildings are offered at different heights, taking advantage of the slope of the land, so that each of the homes can enjoy exceptional views of the sea.

The development puts at your disposal this exclusive penthouse with a large terrace with solarium. The property has a modern design, with colors in neutral and cream tones that maximize the spaciousness and luminosity. The decoration includes noble and natural materials, such as wood and stone. Likewise, it has large floor-to-ceiling windows that allow in abundant natural light.

Regarding the layout, it presents a large open-plan room that maximizes space, which integrates the living-dining room with the American-style kitchen with a fabulous central island and access to the terrace. The day area is complemented by a utility room. The night area has a double bedroom, a bathroom to serve the entire property, a second ensuite bedroom and the magnificent main bedroom with its private bathroom, dressing area and access to the terrace. The property is completed with an exclusive terrace with a solarium, with several environments, such as a chill-out area, exterior dining room, hammock area and solarium.

The property is not only widely functional, it also stands out for its quality. Its features include lacquered interior doors, built-in wardrobes in the bedrooms, porcelain stoneware floors, a home automation system with smoke detection and a flood sensor controlled via telephone. For greater comfort, it has an underfloor heating system in the bathrooms, with the option of installing it in the rest of the property, hot/cold air conditioning in the living room and bedrooms powered by athermics and PVC or aluminum carpentry with Thermoacoustic double glazing with safety glass in areas with risk of impact.
