## New build 3 Bedroom apartment with 105m<sup>2</sup> garden for sale in Higuerón, Costa del Sol

**Exclusive 3-bedroom ground floor apartment with garden for sale in a new build development near the beach in Higuerón, Málaga.**

Lucas Fox is pleased to present Lomas del Higuerón 2, an exclusive new build development located in a privileged enclave in Fuengirola, a short distance from the beach on the Costa del Sol. A total of eight buildings are offered at different heights, taking advantage of the slope of the land, so that each of the homes can enjoy exceptional views of the sea.

The development puts at your disposal this exclusive ground floor apartment with a garden. The property has a modern design, with colors in neutral and cream tones that maximize the spaciousness and luminosity. The decoration includes noble and natural materials, such as wood and stone. Likewise, it has large floor-to-ceiling windows that allow in abundant natural light.

Regarding the layout, it presents a large open-plan room that maximizes space, which integrates the living-dining room with the American-style kitchen with a fabulous central island and access to the garden. The night area has two double bedrooms, a bathroom to serve the entire property and the magnificent main bedroom with its private bathroom. The property is completed with the garden with a terraced area with a chill-out area and exterior dining room and the garden area with grass surrounded by decorative vegetation and offering greater privacy. All rooms have access to the garden.

The property is not only widely functional, it also stands out for its quality. Its features include lacquered interior doors, built-in wardrobes in the bedrooms, porcelain stoneware floors, a home automation system with smoke detection and a flood sensor controlled via telephone. For greater comfort, it has an underfloor heating system in the bathrooms, with the option of installing it in the rest of the property, hot/cold air conditioning in the living room and bedrooms powered by aerothermics and PVC or aluminum carpentry with Thermoacoustic double glazing with safety glass in areas with risk of impact.

The kitchen and bathrooms are fully equipped. The bathrooms include porcelain tiles and Teka or similar brand equipment. The kitchen benefits from having high and low furniture, a Silestone or similar type countertop and paneled appliances with energy rating A: ceramic hob, oven, microwave, extractor hood, refrigerator, dishwasher, washing machine/dryer.
