OVERVIEW

Spectacular countryside house with an olive countryside and more than 20 hectares for sale strategically located just half an hour from the centre of Malaga.

Lucas Fox presents this cozy countryside house with a charming olive building located near Malaga, on a plot of more than 215,000 m².

Within La Finca, the main house stands out, distributed over three floors and with an area of 562 m². On the main floor, there is a large entrance that has two guest toilets and leads to a spacious living room with a cozy fireplace. On the first floor, there are seven bedrooms, each with its own private bathroom. On the lower floor, there is a large kitchen with an attached wine cellar and direct access to the terrace, which has an impressive stone barbecue. A few steps away is the private pool, ideal for cooling off and enjoying the surroundings.

Additionally, there is a second building divided into two areas. The upper floor area is designated as the events living room, with direct access to the central patio and a terrace that offers panoramic views of the majestic mountains of Malaga, perfect for any special occasion. The lower floor area has been configured as an independent apartment with a living room, three bedrooms and a bathroom.

Finally, at the end of the patio is a charming little house. This has a professional kitchen, bathrooms and a garage currently used to store machinery for the maintenance of the property and its surroundings.

It is worth mentioning that La Finca is equipped with electricity supply, internet and water from a mine located on the same property. It also has stables and other facilities for caring for animals, as well as a cistern to store water.

And, to finish, La Finca has olive trees of the Hojiblanca and Manzanilla varieties, carob trees, holm oaks, paulownias and almond trees that offer fresh products. In short, this building is a unique opportunity in a natural environment.
