OVERVIEW

New build 3-bedroom apartment with 20 m² terrace for sale in Malaga.

Lucas Fox presents this spectacular new build development in the very port of Benalmádena. The development offers the most exclusive apartments in the Benalmádena area.

Marina Golden Bay will enjoy great tranquility, perfect for disconnecting. Its undulating façade, inspired by the shape of a ship, evokes the waves of the sea and allows you to enjoy terraces open to the sea. In addition, its gardens offer a contrast of colours, while in the community pool area there are sun loungers to relax.

This apartment on the first floor has clearly differentiated day and night areas. The day area houses a living-dining room with an open-plan kitchen. For its part, the night area offers 3 bedrooms and 2 bathrooms. The living-dining room enjoys access to the terrace.

The property has a modern design, with neutral colours in beige and white, which increases the feeling of spaciousness. The main rooms have large patio doors that provide access to the terrace with sea views that allow the entry of abundant natural light. Likewise, the open-plan living-dining room and kitchen makes the most of the space.

This luxurious apartment has been meticulously designed to offer a modern and comfortable lifestyle, with spacious, light-filled interiors and high-quality finishes.
