OVERVIEW

New build 3-bedroom house with a pool for sale in Granada, Spain.

Bright Bay is a state-of-the-art complex within the exclusive Punta de La Mona residential area, in a unique natural setting overlooking the Marina del Este leisure port, which can be reached in just a few minutes and offers a range of water sports activities. The location is ideal as a base from which to explore all that the Costa Tropical has to offer, whether that be shopping, culture and fine dining in Malaga and Granada, snorkelling and sailing in the Mediterranean Sea, playing golf or skiing in the Sierra Nevada.

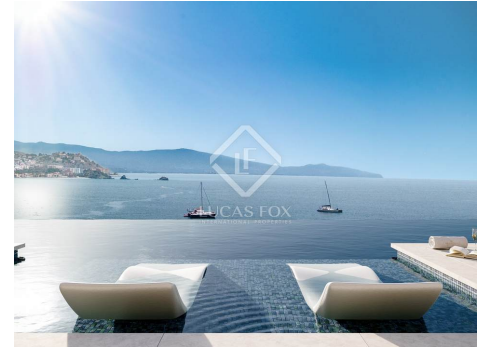

The complex offers 14 incredible new build villas. This particular villa boasts a generous surface area of 334 m², with a lower ground floor with a garage, storage room and an open-plan multipurpose space that can be customised as a gym, wine cellar or games room for example depending on the new homeowner's lifestyle.

The main floor offers a large living area with floor-to-ceiling windows, a guest toilet and a guest bedroom with an en-suite bathroom. Stepping outside, we find a garden with an infinity pool and an optional jacuzzi, all strategically positioned to capture panoramic views of the Mediterranean coastline. The first floor offers another two en-suite bedrooms and finally, the villa is crowned by a spectacular rooftop solarium.

The interiors showcase exquisite details in large and bright spaces, adorned with select materials and top-quality finishes and features, including seamless resin shower bases, Duravit sanitaryware and Hansgrohe taps in the bathrooms, and minimalist lacquered cabinetry in the kitchens, complete with fitted Bosch appliances or similar.

The villas are ideal as family residences or holidays homes and are due for completion in the second semester of 2026.
