Charming luxury villa with panoramic views for sale in Salobreña, Granada

A unique villa where Nasrid luxury meets modernity. Absolute privacy, exclusive design, and endless views of the Mediterranean and Salobreña Bay in the Monte de los Almendros development on Granada's Costa Tropical.

Lucas Fox is privileged to present, high atop the exclusive Monte de los Almendros development, the most majestic and unique villa in Salobreña. With 485 m² of design that blends Nasrid elegance, Andalusian tradition, and contemporary comfort, this property redefines Mediterranean luxury.

Set on a plot of almost 900 m², its exterior is a true oasis: mature gardens, a private pool, a *jacuzzi area*, *chill-out* spaces, outdoor dining areas, a fully equipped exterior kitchen, and an unparalleled atmosphere of privacy.

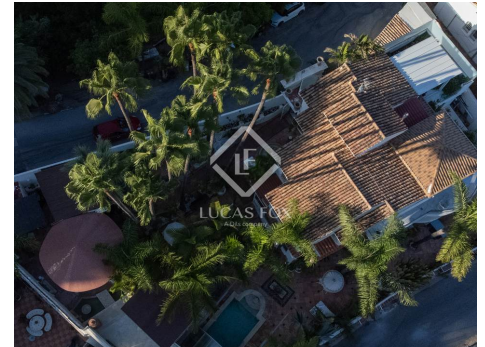

As soon as you walk through the main door, the house welcomes you with the grandeur of a Nasrid palace, boasting an entrance hall crowned by a spectacular dome that opens onto a majestic living room with arches, mosaics, and handcrafted details that convey history and character. This space comprises three rooms: a living area, a private living room —with a designer bar, and a dining room with open views of the sea and Salobreña Bay.

The kitchen, designed by Gaggenau, is designed for food lovers, with a central island and direct access to the exterior dining room. Light floods every corner thanks to the large windows that integrate the interior with the exterior.

The villa currently offers two *private suites*, each measuring over 100 m², comparable to the finest in a five-star hotel. One on the ground floor features a living room, dressing room, study, minibar, and direct access to the garden and *jacuzzi area*. The other, floor, features a full bathroom, dressing room, minibar, a private terrace with a gym, and the most spectacular views in the house. The layout easily allows for expansion to five or six bedrooms, allowing the property to adapt to any lifestyle.

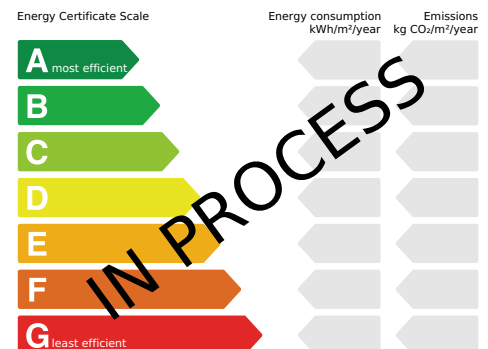

In the basement, the villa impresses with a dreamy wine cellar, an additional living room, and a closed garage for two cars. A separate apartment for staff completes this exceptional property.

Ultimately, this villa is not just a house, it's an incomparable lifestyle, where Nasrid history meets modern luxury in a unique enclave on the Costa Tropical.
