OVERVIEW

Wonderful 291 m² apartment with 4 bedrooms on the thirteenth floor, with frontal sea views for rent in La Malagueta, the best area of Malaga.

Lucas Fox is pleased to present this charming and unique home located on the Pablo Ruiz Picasso promenade, in La Malagueta, the most exclusive area of Malaga.

This wonderful property offers a generous surface area of 291 m², which arises from the union of two apartments, and offers frontal views of the Mediterranean Sea from its rooms.

When accessing through the left door of the property, we come across the hall and from here we can already enjoy beautiful views of the Malaga sky and its beautiful sea. Going down the corridor, we have a double bedroom with a built-in wardrobe that enjoys views on our right. Continuing, we find the master bedroom, facing north, which offers a spacious rest area, with a dressing room and a private bathroom with a shower.

In the living room, we enjoy the benefits of a southerly aspect: an ideal temperature, lots of light and frontal views of the sea. Next to this, you will find the dining room, separated by a sliding door.

In the right wing of this floor, we have the kitchen, facing north and with views of the mountains and the Gibralfaro. Next to it, the laundry area is available. This wing of the home is completed with another two double bedrooms with sea views and a bathroom that serves this area.

The property has been renovated not long ago and conserves in perfect condition the iconic wooden floors that adorn the entire house and that give it its stately character, contrasted by the modernism of the double-glazed closures and its smooth, white-painted walls.

To all this we must add that we have a parking space a few steps from the block, necessary for this exquisite area of Malaga.

The duration of the rental will be eleven (11) months, with the possibility of renewal. The agency fees will be equal to a monthly payment + VAT (21%).
