€1,560,000 House / Villa - Sold

Excellent 5 Bedroom house / villa for sale in Montpellier Region, Montpellier

Between Quissac and Anduze, recent Provencal-inspired property of 295 m² on its landscaped park of 5,921 m² with swimming pool and three closed garages

Lucas Fox International Properties presents an elegant property in Logrian-Florian, near Sommières and Anduze, in a quiet, green and unobstructed environment.

At the end of a discreet driveway, the entrance is via landscaped grounds of 5,921 m² where a property of 295 m² of living space is hidden with a heated salt swimming pool of 12 m x 6 m and 2 double garages of 97m². A private hiking path is accessible directly from the garden and overlooks non-buildable forests, thus preserving its privacy.

Built in 2007, the villa is characterized by a gentle blend of modernity in its structure and ancient aesthetic ornaments. On the ground floor we find large living spaces: double living room of 115 m² with a high-end, custom-made Leicht fitted kitchen, a laundry room, a master suite with bathtub, shower room, dressing room and office in mezzanine. You will also find a second bedroom and a second summer kitchen.

Upstairs, two other bedrooms share a bathroom and benefit from a magnificent Tropezian terrace with a view overlooking the park.

Beautiful natural stones cover the various terraces which border the property. A 27m² orangery, a 29m² outbuilding with a bedroom, a bathroom and a kitchen enhance this unique ensemble.

Additional services: centralized vacuum cleaner, geothermally heated and cooled floor, two boreholes for access to water of 35 m³/hour, a water softener, a garden room, two children's games and private access to a path hiking. No work is expected.

5 minutes from Quissac, 24 minutes from Sommières, 40 minutes from Montpellier, Uzès and Nîmes, 50 minutes from the beaches, 50 minutes from the airport and train stations, close to all amenities.

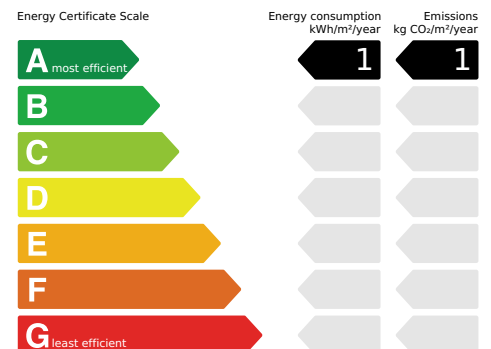

This property has been the subject of a complete notarized audit.

Information on the risks to which this property is exposed is available on the site: www.georiques.gouv.fr
