OVERVIEW

Luxurious contemporary design first floor apartment in a high-end residential complex with outstanding communal facilities in Benahavis.

Ideally located 5 minutes from the centre of San Pedro village and its beaches, yet in a beautiful tranquil location surrounded by a golf course, we find this exclusive new residential project offering 24 immaculate new residences for sale.

The vision behind this project is a harmonious and luxurious blend of contemporary architecture, a high quality of life and connection with the natural surroundings.

The complex boasts a fabulous heated indoor pool, gym and spa as well as lush landscaped communal gardens with fruit trees, aromatic plants and a large outdoor pool; all with spectacular panoramic views of the sea and the mountains. The indoor and outdoor pool areas are connected by a vast sliding glass door and the design of these areas is reminiscent of Andalusia's Moorish past, with elegant decorative features and a distinct high-end character.

This project is also set to be the first cardio-protected residential complex in the area with a mobile defibrillator with geolocation and personalised 24h telephone assistance for residents' complete peace of mind at all times.

This magnificent first floor apartment is south-west facing with Breeam certificate and Energy A rating, featuring home automation, underfloor heating, a cosy open fire in the living area and floor-to-ceiling windows for abundant natural light. The property has a modern open plan living, dining and kitchen area with direct access to 2 terraces; one at either end of the living area. There is 1 ensuite bedroom, a second bedroom and a second bathroom.

What's more, all properties within this development come with a garage parking space and a storage room. An ideal Costa del Sol home.
