### OVERVIEW

## Contemporary apartments in Mijas with panoramic sea views and direct beach access.

Located on the beautiful Mijas coast, this brand new development offers stunning contemporary apartments in an unbeatable location. With beautiful sea views from every apartment and in walking distance to the beach, the development is ideal for those seeking luxury and elegance on the Mediterranean coastline.

The iconic, curved building offers mostly 3-bedroom, 3 bathroom apartments and there is also a special 2-bedroom, 2 bathroom penthouse. Every apartment is spacious and enjoys an abundance of natural light throughout the day thanks to its south-facing orientation. Designed by the architectural firm González & Jacobson, the properties have been designed with elegance and modernity in mind; stand out features include vanishing glass corners and beautiful hand-crafted kitchens. The master bedrooms have been positioned in each apartment to make the most of the Mediterranean Sea views, as have the living areas. Furthermore, with the option to personalise the chosen apartment, it is guaranteed that each property will be perfectly suited to the individual needs of the buyer.

The communal grounds are equally impressive. With swimming pools, tropical gardens and a gym, the development offers plenty of leisure and relaxation options. A private pathway leads directly to the beach which can be enjoyed both during the long summer months and for strolls by the sea in the autumn and winter.

Close to golf courses, horse-riding facilities and commercial centres as well as many bars and restaurants, this really is an exceptional development in an unbeatable location on the coast of Mijas.
