OVERVIEW

Beautiful villa with stunning views of La Concha mountain and easy access to the best of the Costa del Sol.

This stunning villa has been refurbished to an exceptional standard from top to bottom to create a landmark home overlooking the golf courses and famous landscape on the coast near Puerto Banús.

The property has three floors, all with fantastic views, and large expanses of internal and external glass to integrate the outside spaces and flood the house with natural light.

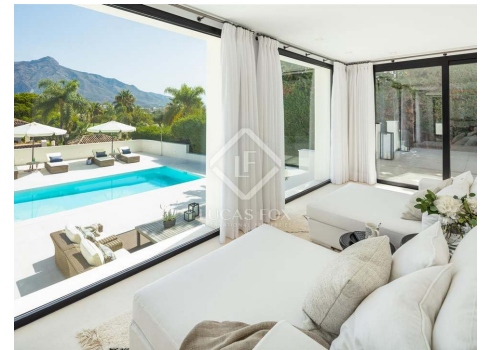

The ground floor has a spectacular open living area that enables the different spaces to flow effortlessly into each other, while various exterior terraces and staircases provide versatile connections to the gardens and pool terrace.

The modern layout includes sitting and dining areas and the modern kitchen, all embracing those views and all in bright clean white and natural shades to enhance the feeling of space. This level also has three bedroom suites and an office.

Upstairs there are 2 more spacious bedroom suites, including the master suite served by a lovely dressing room and a lounge, and both enjoying access to a wraparound terrace overlooking the pool and gardens. Las Brisas and Los Naranjos golf enhance the views and remind you that this house is in the heart of the Costa del Sol.

The basement level has another bedroom suite and is also set up for fun and relaxation, with an amazing home cinema and billiard room complete with bar and wine cellar wall. This room also has an integrated gym space and a garage for 2 cars.

Outside, the villa has a wide choice of spaces for entertaining, relaxing and making the most of the perfect Spanish climate. The sophisticated outside lighting system works with the bright white tones to bring the many spaces to life at night, and the various levels offer dining, sunbathing and chill-out zones to suit every taste and event.
