Grand design villa in Sierra Blanca with private cinema gym and spa.

This luxury villa was the last to be designed by the famous architect Melvin Vilaroel, and represents the accumulation of a life-time of superlative design features, including the use of unique exquisite Arabian marble in the bathrooms - obtained from the private quarry of a Saudi prince.

In addition, the property has benefitted from a €1.25m renovation by the current owners, including development of the lower level to include an unbeatable private cinema and bar with 9 Italian leather recliner armchairs, private spa and gym.

The interior decoration of this house is extremely high including Italian silk curtains throughout, and the very best furniture materials.

Inside, on the ground floor the property offers a large lounge with triple height ceiling opening onto the covered main terrace, garden and pool with sea view, a grand dining room with vaulted ceiling and candelabra feature, 2 fully equipped kitchen areas including chef/part catering and breakfast area, 2 guest bathrooms, and 3 en-suite double bedrooms with dressing areas, as well as the impressive entrance hall and staircase with interior palm trees.

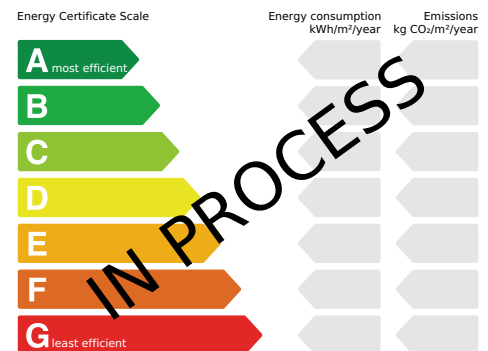

Upstairs the huge master bedroom suite offers a very large bathroom with top-spec therapeutic jacuzzi bath, large walk-in shower, mezzanine office area overlooking the lounge, large dressing area, and a private terrace with stunning panoramic sea views.

The lower level includes a 3-car garage with individual electric doors and easy road access, private spa with extra large jacuzzi tub and sauna, gym and large state-of-the-art cinema and bar, and another double bedroom suite. The easy to maintain garden is very private and offers a large heated swimming pool in a beautiful mature setting. All in all, this very stylish property offers first class luxury qualities in Marbella's most sought-after Golden Mile address. Price reduced from €6.995.000.
