### OVERVIEW

## This mansion is an elegant luxury villa located in one of the most exclusive communities in Marbella.

This elegant residence has Andalusian architecture with Mediterranean touches. The villa has been designed with attention to detail, offering the best of outdoor living: spacious covered and uncovered terraces, lush vegetation, large swimming pool and several outdoor chill-out areas.

The villa welcomes you into an impressive entrance, surrounded by manicured gardens and a true sensation of tranquillity and peace.

This exquisitely presented villa combines to perfection Andalusian architecture with Nordic interior design. Every space has been finished to the highest specifications, using natural elements and sophisticated furniture pieces. The flooring has Italian sourced oak herringbone flooring, which complements the neutral colour palette of this luxurious home. The ground floor has several connected living spaces, each with views to the magnificent garden.

The large master bedroom enjoys magnificent sea views and features a large private terrace, elegant bathroom and chic dressing room. The additional bedrooms are also decorated with sophisticated interiors to ensure elegance and comfort.

The villa welcomes you into a spectacular basement area with 5-star facilities for a modern family; a custom-built bodega, large fully equipped gym, yoga hall, and a state-of-the-art spa that includes heated indoor pool, jacuzzi, sauna, massage room and hair dressing room. On the attic level of Villa Castaña, there is a bespoke custom-made cinema room.

This villa is a true confluence of style and sophistication, ready to impress the most discerning buyer.
