Unique Cortijo, perfectly renovated to modern standards while respecting the property's authenticity

This Andalucian Cortijo has been completely renovated with a unique respect for its authentic style while keeping the modern needs and quality in mind.

This amazing villa has been built in a plot of 8,600 m² with a protected view. Splitting the plot and building something in front of this villa is not allowed.

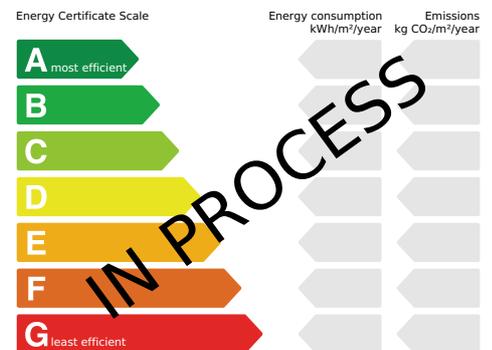

The house has a spectacular Andalusian entrance with a fountain in the centre. The property boasts 5 bedrooms and 4 bathrooms, a very spacious living room with functioning fireplace to enjoy both in winter and summer, and a kitchen where only the finest equipment has been installed.

From the kitchen as well as from the living room you have an impressive view over the garden and pool area, while also having access to the original (renovated) porch.

The house has underfloor heating, air conditioning hot / cold. Two of the bathrooms are en suite with a bath and shower, while the other bathrooms only have a shower. As an extra we have an independent laundry and storage room, as well as a basement (only for storage).
