OVERVIEW

Exclusive Arabian style residence located in the prestigious Guadalmina Baja development of Marbella.

Through beautiful wooden doors we access the residence where we are received by a large courtyard with a beautiful central fountain. Inside, the property is distributed over two levels.

On the main floor there is a large cinema room with toilet and separate entrance to the main house, large kitchen with separate dining room, three suites, an office, a living room and a beautiful main living room with a nice fireplace and views to the pool. From all the rooms on this level, there is direct access to the gardens of the property.

On the upper level there is a guest suite with a large terrace overlooking the gardens and pool of the house and the master suite with a large living area with fireplace, dressing room and a spectacular bathroom with two shower areas and a beautiful bathtub.

Outside the house there is a barbecue area, chill out area, swimming pool and beautiful gardens that remind us of the Alhambra and lead to a separate pavilion with a large indoor swimming pool.

Next to the main entrance and with an independent entrance, there is an apartment for the service staff.

Privacy and tranquillity are the hallmarks of this family residence.
