OVERVIEW

Brand-new 4-floor villa with 5 bedrooms and private pool for sale in the Golden Mille, Marbella on a 1,223 m² plot.

This villa boasts contemporary architecture, with very refined lines and many special details, typical of this exclusive development of 3 family homes located in one of the most emblematic residential communities in Marbella.

The villas have excellent views of the mountain (La Concha) and the Mediterranean Sea and enjoy proximity to the city centre and the beach.

The most characteristic feature of these houses are the covered roofs, designed with very clear horizontal lines and form porches below them that make it possible to enjoy the terraces as if they were a continuation of the interior rooms, generating a dialogue with the exterior and maximizing the indoor-outdoor living that is so characteristic in the architecture of southern Andalusia.
