### OVERVIEW

**A stunning new hillside development of 2 and 3 bedroom apartments with a unique design for sale in Benahavís with magnificent panoramic sea views of the Mediterranean , Costa del Sol.**

The Tiara project owes its name to the way the properties lie harmoniously on the hills of Benahavis, looking over the Mediterranean Sea, in the same way as a spectacular balcony looks onto the sea, offering impressive views of the entire coastline and Marbella Bay, all the way to the Rock of Gibraltar in the background.

Tiara enjoys a prime, elevated position with 56 exclusive 3 and 4-bedroom homes with panoramic sea views and is distributed over 7 blocks with only 2 apartments per floor, which further increases its exclusivity being a low-density complex. Each property is perfectly designed, always thinking of the wellbeing and comfort of the residents.

All the bedrooms in the apartments are en-suite, as well as having an extra bathroom for guests' privacy. On the other hand, every bedroom has direct access to the terrace, from where the magnificent views on the Costa del Sol can be enjoyed every day. Most terraces are roofed, except for the penthouses, which are provided with a beautiful pergola. The kitchens in all the apartments at Tiara are fully equipped with designer furniture and energy-saving appliances.

The development will enjoy two swimming pools for adults and children, a gym, co-working area, gated community, and underground parking. One of the most special parts of the complex are its staggered gardens that enrich the entire complex, endowing it with freshness and greenery, and making it highly attractive thanks to the presence of colourful flowers throughout the year.
