OVERVIEW

Duplex garden residence in the heart of Marbella's Golden Mile.

Located at the heart of Marbella's coveted Golden Mile area, right next to Puerto Banus, we find these comfortable, functional homes in a very modern development spread through 5 buildings on a premium plot of 8,000 m² including a 6,000 m² communal area with landscaped gardens, a pool and sun deck.

Homeowners in this development may also enjoy a fully equipped wellness spa, a gym, heated indoor pool, a clubhouse and a beautiful area for celebrations. In line with other leading developments around the world, this project shall provide a complete concierge service along with a wide range of exclusive services offered by professionals, such as personal trainers, personal shoppers, beauty stylists, child care, cleaning, healthcare, legal advice and lessons in anything the resident wishes.

Each of the 5 blocks contains 4 separate apartments with 4 bedrooms and a wonderful open concept living and dining area with a modern, open plan kitchen. Interiors have been designed with a focus on light and space thanks to large windows and high ceilings. The use of partitions allows the owner to enjoy a flexible layout. Cutting-edge technology and carefully selected materials have been employed to create these eco-friendly homes.

This beautiful house with four bedrooms, four bathrooms and one toilet, also has two private parking spots.
