OVERVIEW

Stunning 3-bedroom duplex penthouse in a luxury development on the Golden Mile, Marbella.

Just 800 metres from the beach and with breathtaking views of the Mediterranean, this brand-new duplex penthouse is part of an excellent development in an exclusive location. This new penthouse forms part of the second phase of just 2 new blocks with 6 apartments in each. With high quality finishes and beautiful interior design, the penthouse looks out onto lush tropical gardens with views as far as the Mediterranean.

Entering the property, a hall leads to, on the left, the living room with a fire place, dining area and kitchen fully equipped with top-of-the-range appliances. The two bedrooms have a walk-in closet area, en-suite bathroom and a small terrace. The good-sized terrace, accessed from the living room, has plenty of space for dining and sun bathing whilst enjoying the views.

Upstairs we find the one more ample bedroom with a walk-in closet and en-suite bathroom. This floor gives access to further terraces and the private pool.

The spacious apartment has been built to the highest specifications with underfloor heating, central alarm and TV, FM radio and telephone connections in every room.
