OVERVIEW

South-east facing 2-bedroom penthouse located in La Quinta with both views of La Concha and the sea, with a large rooftop with firepit, lounge area and sun loungers.

Casa Vista is a newly refurbished penthouse located in a very quiet and well kept community in La Quinta offering panoramic views over the mountains as well as spectacular golf and sea views. This penthouse offers 2 bedrooms, 2 bathrooms and a unique outdoor area that could not be any better.

On the first floor, we enter the main hallway. Adjacent to it is the beginning of the open concept layout, this includes the living, dining and kitchen area. Large glass doors open up from both the living and kitchen area on to the first terrace. Residents can enjoy the south-easterly views of La Concha and the sea. Likewise, this first terrace has an outdoor barbecue and bar stool area to sit and enjoy the views.

The stairs lead you up to a huge rooftop terrace with a cosy custom-built lounge with a fireplace, sun beds and a second lounge area, all with stunning views and tranquillity.

Returning to the main hallway, the master bedroom with ensuite, guest bedroom and bathroom can be found. The mix of carefully chosen materials of wood, microcement and tiles gives the property a warm modern boho feeling throughout. With only a 10-minute drive to the nearest beach and 2 minutes walk to the famous Westin Hotel, you are close to all amenities.
