### OVERVIEW

## Spacious penthouse with 2-bedrooms and 2 bathrooms with communal rooftop plunge pool. West facing with sea and mountain views.

Modern and newly built penthouse apartment in Cancelada. Designed to maximise natural light and views, the apartments and penthouses are fitted with top-of-the-range windows and sliding doors that are soundproof and anti-glare. This penthouse comes fully furnished with high quality furniture and design.

Surrounded by carefully landscaped gardens, The Residences offers two swimming pools, one designed like a beach, and the elegant chill-out environment of its own panoramic rooftop lounge complete with luxurious Balinese beds. From here, the views across the surrounding greenery extend all the way along undulating ranges to Marbella's La Concha Mountain and the Mediterranean Sea.

Entering the penthouse, buyers will note the spacious open-plan layout. On the left is the kitchen area with all electrical appliances and dining area separating the kitchen from the living area. One amazing feature is the floor to ceiling glass sliding doors. This fully opens up the entire penthouse to the outside and allows for seamless flow from inside to outside.

Likewise, at the rear of the apartment, buyers have their first large guest bedroom and bathroom and the main suite.
