This charming Mediterranean villa harmoniously blends traditional architectural elements with a modern design, creating a warm and inviting atmosphere. Southwest facing on an ample 1,018 m² plot, this completely private villa boasts a pool, lush gardens, mature trees, and charming Andalusian fountains.

The garden features a heated pool as its centrepiece, with marble fountains graced by elegant columns. With five bedroom suites, six bathrooms, and a guest toilet spread across two levels and a lower ground floor, this property caters to both comfort and luxury.

The fully equipped kitchen is not just functional but also a well-designed masterpiece, complete with an island and top-of-the-line appliances. It allows for open living yet remains separate enough for many activities to take place in the living area without disturbance.

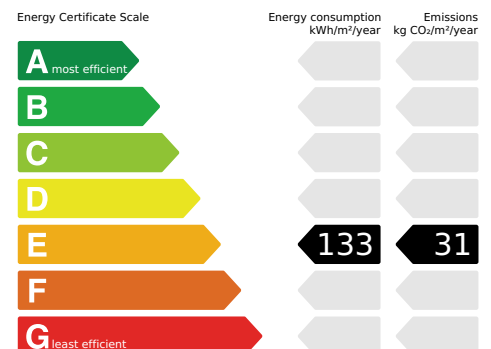

The great sized living room and dining room makes this home perfect for entertaining all year round, with plenty of space and ease of access to the terrace and pool outside.

Two bedrooms on this level offer privacy, each with its en-suite bathroom. These bedrooms have direct access to the covered porch, which is surrounded by beautiful gardens and features comfortable sitting areas.
