New build 5 Bedroom apartment with 187m² terrace for sale in Benahavís

Exclusive apartment with 5 bedrooms and spacious terraces, panoramic sea and golf views, 24-hour security and high-level community amenities such as spa, gym and heated indoor pool.

This elegant sky villa redefines the concept of a luxury apartment, combining the privacy and spaciousness of a contemporary villa with the comfort and amenities of an exclusive residential community. Designed for those who appreciate light, views, and a seamless connection between indoors and exterior, the property offers a sophisticated and relaxed living experience in the heart of the Costa del Sol.

The main living room opens completely onto the panoramic terraces through large, floor-to-ceiling windows, creating a constant sense of continuity with the landscape. The views of the Mediterranean Sea, the golf course, and the surrounding nature provide a serene atmosphere that is hard to find elsewhere. The open-plan kitchen, equipped with high-end appliances and minimalist finishes, blends seamlessly into the day area, designed for both family enjoyment and entertaining guests.

All of this is designed to guarantee comfort, privacy, and energy efficiency year-round.

The development offers a complete wellness lifestyle with exclusive amenities such as an exterior and heated indoor pool, spa, sauna, jacuzzi, fully equipped gym, concierge service, and 24-hour security. It's an environment designed for discreet luxury, surrounded by nature and offering the unique feeling of living in a private villa without sacrificing the comforts of a contemporary apartment.
