OVERVIEW

High-end contemporary 3-bedroom home in a prime location in Marbella.

Located at the heart of Marbella's coveted Golden Mile area, right next to Puerto Banus, we find this excellent penthouse property in a very modern development with a 6,000 m² communal area with landscaped gardens, a pool and sun deck.

The main floor of this penthouse property offers an entrance hall with a guest toilet and access to the open kitchen and the huge living room – dining room which leads out to a sheltered terrace with some open terrace space too. Moving on we find 3 bedrooms which all have ensuite bathrooms, with a dressing room and access to the terrace in the main bedroom. Upstairs we find a small room which provides access to the spectacular 170 m² rooftop terrace.

The designer interiors offer an abundance of light and space, creating an airy, comfortable contemporary home with the very best finishes.

Homeowners in this development may also enjoy a fully equipped wellness spa, a gym, heated indoor pool, a clubhouse and a beautiful area for celebrations. In line with other leading developments around the world, this project shall provide a complete concierge service along with a wide range of exclusive services offered by professionals, such as personal trainers, personal shoppers, beauty stylists, child care, cleaning, healthcare, legal advice and lessons in anything the resident wishes.
