### OVERVIEW

## Brand new 3-bedroom apartment with a large terrace and stunning sea views, for sale in Mijas.

Located on the stunning Mijas coast, this brand new development offers striking contemporary apartments in a beautiful seafront location. With sea views and in walking distance to the beach, this property is perfect for those seeking luxury and elegance on the Mediterranean coast.

This 3-bedroom apartment, with open spaces, is within an iconic, curved building and enjoys abundant natural light throughout the day thanks to its south-facing orientation. Designed by the architectural firm González & Jacobson, the apartment has been designed with elegance and modernity in mind; stand out features include the vanishing glass corners and stunning hand-crafted kitchens. We are greeted into the property by an ample hallway with 2 of the bedrooms and bathrooms to the right and the remaining bedroom and bathroom to the left. The living-dining area with open kitchen is particularly spacious and has access to the terrace with space for outdoor dining and relaxing. There is the option to personalise the apartment so that it best suits the needs of the buyer.

Impressive communal grounds include swimming pools, tropical gardens and a gym. A private pathway leads directly to the beach which can be enjoyed throughout the summer months as well as for autumn and winter strolls.

Close to golf courses, horse-riding facilities and commercial centres as well as many bars and restaurants, this really is an exceptional development in an unbeatable location on the coast of Mijas.
