3-bedroom house with panoramic sea views for sale in Premià de Dalt

A recently renovated house with amazing sea views and a brand new plunge pool.

This attractive property offers wonderful sea views from both house and garden. Built in 1992, the house was extensively renovated in 2018 by the current owners. South-east facing, it is filled with natural light.

The house is distributed over 2 floors, plus a garage and storage room at street level. On the ground floor, the main entrance leads through to an open-plan split-level living and dining room with a log fireplace, a dining bar and doors out to a covered terrace. Also on this floor is the kitchen and a guest WC. Upstairs there is the master bedroom suite (formally 2 bedrooms) with a dressing room area, a bathroom with shower and access to a terrace to enjoy the views. There are 2 further bedrooms, one double and one single, on this level plus a bathroom with bathtub.

Outside, the terraced garden features a brand-new saltwater plunge pool, a covered outdoor dining area, a barbecue and a utility area to the rear of the property. At street level there is a 2-car garage with a large mezzanine area for storage.

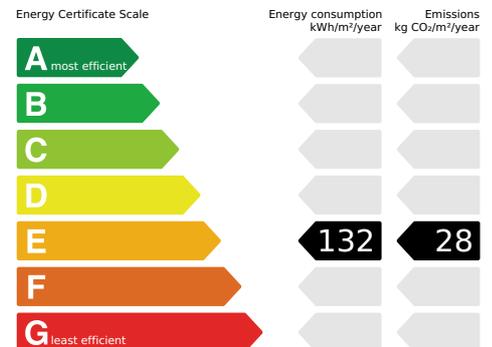

The property is located on a peaceful street between the towns of Premià de Dalt and Teià with quick access by car to both towns. The beach and marina at Premià de Mar are just 2km away and Barcelona city centre can be reached in 25 minutes by car.

The property would make a fantastic home for a couple or small family or as an enviable second residence with views over the Mediterranean.
