OVERVIEW

Modern 2-bedroom apartment with views of the interior garden of a residential complex with a communal garden and pool in the centre of Teià.

Cal Llibreter offers this apartment with 2 bedrooms and 2 bathrooms in the centre of Teià, close to all services, and a few minutes' walk from the beach and the tennis club. In addition, it is a 25-minute drive from Barcelona city, making it possible to enjoy the tranquility and natural scenery of a coastal town, without foregoing proximity to the city.

It is a unique new build development that combines history and modernity, as it consists of the refurbishment of a beautiful historical farmhouse, which currently offers wonderful apartments and new build houses with a garden and parking. Likewise, the project will have a landscaped community area with a large swimming pool and a solarium, the perfect place to cool off during the hot months and enjoy an outdoor lifestyle.

This modern 92 m² property is located on the first floor and enjoys spacious, bright and comfortable rooms, ideal for a couple or a small family. The layout consists of a spacious living-dining room, a modern Santos brand closed kitchen equipped with Bosch appliances, a double bedroom with a private bathroom, a single bedroom, a complete bathroom and a multipurpose room that could be used as a study.

The interiors stand out for their modern and elegant style, with a range of sophisticated light and neutral shades. What's more, the property offers pleasant views of the interior garden.

The properties are equipped with bathrooms with Grohe bathtubs, motorised blinds and wooden floors.
