OVERVIEW

Detached house to renovate for sale in Vilassar de Dalt, ideal for families who would like to have a lot of land or for investors.

We present this wonderful house located a few metres from the centre of the town of Vilassar de Dalt, with excellent road connections and all services to hand.

It is a house that can attract both investors and individuals, since the estate could be divided into 4 plots to build 4 houses. You can also renovate the house that currently exists and enjoy a garden of around 2,373 m².

The garden is made up of several large areas, with sun all day, a large swimming pool, an adjoining building with a barbecue and chill-out area, an adjoining bedroom and a fronton court.

The main house is distributed over 3 levels. On the lower floor, we find a garage for 2 cars and several multipurpose areas with a gym and dressing room.

The main floor consists of a hall, a living-dining room with access to the terrace and garden, a kitchen diner and a laundry area. On the other hand, the night area offers 2 single bedrooms, a complete bathroom and an ensuite bedroom with a bathroom and dressing room.

The second floor houses 2 double bedrooms, a bathroom and a loft.

It is a house with a lot of potential, both for those looking for a house with a large garden, and for those who want to invest in a property.
