OVERVIEW

A spacious 6-bedroom house on a large, secluded plot with a swimming pool, that offers wonderful panoramic views of Barcelona and the Mediterranean sea.

This large house of nearly 700 squares occupies a wonderful position high on a south-west facing hillside in Cabrils with amazing panoramic views. Dating back to the 1970s, the house has been updated by the current owner, is presented in excellent condition and offers a fantastic sensation of space and light.

The property is distributed over 3 levels with almost all rooms offering lovely views. On the upper level, the main entrance leads though to a central landing off of which there are 4 double bedrooms, 2 bathrooms and the principal living/dining room, which features a log fireplace. From here there is access to the kitchen and service area. Around three sides of the house are over 250 square metres of terraces, with ample sitting and chillout areas from which to enjoy the views.

On the middle level there is the master bedroom suite with its own secondary living room with fireplace, a dressing room, a bathroom with jacuzzi, and an indoor/outdoor gym. Also on this level is the laundry room and garage parking for 1-2 cars, plus external parking (covered and uncovered) for up to 5 more.

On the lower level there is a 170 square metre covered dining and barbecue area with a mini-kitchen and high ceiling, perfect for entertaining. From here there are a few steps down to the 60 square metre swimming pool, sun terrace and artificial grass lawn. The rest of the 2,500 square metre plot is natural woodland and helps provide the property with an excellent level of privacy.

Located above the upmarket Montcabrer development in Cabrils, the property offers good access to Barcelona in around 25 minutes by car. The beach at Vilassar de Mar is around 10 minutes away and there is an international school close by.

The property would make a fantastic primary or secondary residence for a large family. It also offers great potential as a holiday rental investment.
