OVERVIEW

A large, well-appointed house with 6 double bedrooms and sea views for sale in Tiana, with both private and communal gardens.

This luxurious, 714 sqm detached property was constructed over 2 building plots and stands out for its spacious dimensions throughout the house. Built in 2008 to a high standard the property boasts 6 double bedrooms plus an additional self-contained apartment.

The property is distributed over 4 floors, connected by a lift. On the ground floor, the main entrance hall leads through to a 60 sqm living/dining room with doors to a large covered terrace. Also on this floor is the kitchen, a double bedroom/study with ensuite bathroom and a guest toilet.

On the first floor there is the master bedroom suite featuring a dressing room, a bathroom with both Jacuzzi and shower, and doors to a terrace. There are 2 further double bedrooms both with ensuite bathrooms and a reading area on this floor.

On the second floor there is an additional living room/study area (which could potentially be another bedroom), another double bedroom with ensuite bathroom, and doors to a large terrace with sea views.

Downstairs at the basement level there is garage parking for 4 cars, a gym, a sauna, a party room with a bar, various storage rooms, a guest WC and a laundry room. In addition, there is a naturally-ventilated, fully self-contained apartment with kitchen-living room, a double bedroom and a bathroom with shower.

The house features inlaid marble flooring in the common areas plus solid wood floors in the bedrooms. There are high quality aluminium windows with electric security blinds throughout, plus gas central heating and air conditioning.

Outside, the house has a private garden with terraces and lawns plus access to a communal garden with a swimming pool.

The property has an excellent location with fast access to Barcelona via the B20 motorway and just a few minutes by car to the centre of attractive village of Tiana. There is an international school around 5 minutes' drive away.
